Belmont Fire Offers Online Application & Payment for Permits

The Belmont Fire Department is proud to announce that our online permit portal is now fully operational and ready to accept applications and payments electronically.

According to Fire Chief David DeStefano, “this online feature will vastly improve service to our residents and businessowners. It allows applications and payments for most permits to be conducted online, saving a trip to Fire Department Headquarters.”

The online portal may be accessed at the Fire Department’s website: www.belmontfire.org. Simply click the Fire Prevention tab, then go to the Inspections & Permits section.
