Belmont Fire Department Responds to House Fire

On Friday, May 17th at 1:45 am the Belmont Fire Department responded to a reported house fire on Oak Street. Upon arrival, firefighters found a fire in the basement of a single-family home with a smoke condition throughout the house. The fire was brought under control quickly, with no extension beyond the basement level, due in part to the rapid response of the members of Engine 2 and Ladder 1 from the Belmont Center Fire Station. The four residents of the home have been temporarily displaced. No injuries were reported and the cause of the fire remains under investigation.
